

PROGRAM LEADER INTRODUCTION

Susan Lynne

Susan Lynne is a Box of Crayons' master facilitator, delivering its award-winning coaching skills programs to companies across North America. A master trainer and executive coach with 20 years of experience in the field, she has led over 1,600 workshops across Canada and internationally in both French and English. Before coaching, Susan was a director of McLuhan & Davies Communications.

A lifelong learner, Susan has an academic background that includes French translation, psychotherapy and world religions. Every week, to continue her learning journey, Susan spends time with her current teacher: her granddaughter Evie.

Susan brings a lighthearted approach to her work. Having been suspended from Girl Guides as a young teen for clowning around too much, she is happy to have found a field in which she can channel her energy in a way that serves people.

Susan has studied with the Coaches Training Institute and is a graduate of York University.
