

Dave McKeown is the CEO of Outfield Leadership, a program leader with the training company Box of Crayons and the author of *The Self-Evolved Leader - Elevate Your Focus and Develop Your People in a World That Refuses to Slow Down*.

He has a wealth of experience in connecting individual and team performance to improved business results with a particular focus on fast-growing, complex organizations.

Dave speaks, coaches and trains on scaling your leadership impact. His goal is to help organizations build a culture of real, authentic but ultimately results-driven leadership.

He has shared his leadership strategies at the Inc. 500 and Growco conferences, for Bank of America, the British Government, Entrepreneur's Organization, Bamboo HR and countless others.

He is the host of the podcast 'Lead Like You Give a Damn' and writes a regular leadership column for [inc.Com](http://inc.com) and we're delighted to have him here presenting this session.
